LEADERSHIP EXPERIENCE

University of South Carolina Student Government

August 2024 - Present

City Advocacy Commision

- Research programs and initiatives that benefit the student body for the purposes of composing and presenting organized research findings to university leaders, city government officials, and other key stakeholders.

Hartsville High School Student Government

May 2023 - May 2024

Student Body President

- Coordinated with students, school faculty and staff, and community members to enhance the experience of students. Some successful initiatives were: holding the first successful field day since the 2020 lockdown, tripling the size of the student government to increase Student Government impact and representation, and increasing spirit week participation. This taught me skills in resource management, leading other people, coordinating ambitious ideas, and drawing out the best in people.

Hartsville High School National Honor Society

May 2023 - May 2024

President

- Led meetings of the members, disseminated information, communicated with club sponsors, and coordinated community charity events. In this position, I improved my communication skills, I developed a value for giving to the community, and I learned the importance of networking.
